

OFFICE OF LEGAL ATTACHMENT COUNSEL

Washington, DC March 1969

1. [] telephoned to say he had been telephoned by a Lt. Col. Francis J. Dillon of the Air Force who is on detail to House Space Committee. Col. Dillon wanted to discuss with [] machine translation. [] explained he had made an appointment for next Tuesday at ten o'clock for Dillon to visit him since the subject was basically unclassified. [] wished to confirm this with me and advise that Dillon was instructed to call here.

Dillon subsequently called and the arrangements were confirmed.

2. [] George Aurell advised that Mr. Terry, his contact in State Department, advised that Senator Bridges wished to see Mr. Macomber this afternoon with respect to the "Periscope" item in NEWSPARK of 29 February which alleges a change in U. S. policy to discourage defections. This information and the "Periscope" item were forwarded to Jack Earman to bring to the Director's attention.
